ENVIRONMENT COMMITMENT POLICY

Golden Link International Industrial Limited is committed to protecting the environment, the health and safety of our employees and the community in which we conduct our business. It is our policy to seek continual improvement throughout our business operations to lessen our impact on the local and global environment by conserving energy, water and other natural resource, reducing waste generation, recycling and reducing exhaust emissions and our use of toxic materials.

We are committed to environmental excellence and pollution prevention or exceeding all environmental regulatory requirements and to purchasing products which have greater recycled content with lower toxicity and packaging that reduce the use of natural resources, minimizing waste wherever practicable.
